10. Packages and Recurring Cleans

- Packages are booked based on the specific number of Bedrooms, Bathrooms and Living Areas you would like cleaning. All cleaning packages include the Kitchen, Dining Room & Laundry.
- Packages are priced for the full job and not at an hourly rate. Times allocated in the booking platform are for scheduling purposes only and not an indication of the exact clean time.
- The client must book in for the exact number of rooms they would like cleaning. Additional rooms cannot be added on the day of the service so please review your booking ahead of time and decide on rooms to be cleaned.
- We pride ourselves on providing a thorough and efficient service to a consistent standard. Requests to do "half a job" in exchange for more rooms than those booked will be declined. Please upgrade to the appropriate package prior to your booking.

13. No Locked in Contract

- At Mystic Maids we are only as good as our last clean. The customer is not locked into any contracts with regards to regular cleaning services. At any time, the customer feels our services are slipping, they should inform the Business Owner (julia.gillies@mysticmaids.com.au) as soon as possible.

14. Pets / Domestic Animals

- The client is to inform Mystic Maids via the 'New Client Information Form' (and again upon arrival) of all animals residing on the property and their various needs, temperaments and personal boundaries.
- Clients must be home at the start of the first service to introduce us to any pets prior to leaving them alone with us – this is to minimise any distress to your pet(s) and to ensure there are no signs of fear or aggression from dogs.
- If friendly, Pets are free to continue normal enjoyment of their home environment during the service!
- If showing signs of aggression, dogs will need to be removed from the cleaning area & safely contained.

- All Cats will be assumed as Indoor and will not be granted access outside by any Mystic Maids staff member regardless of what is written on the New Client information form. The client is to make provisions for their cat(s) toileting if left inside in the client's absence without a pet door or cat flap.

15. Bamboo Flooring

- Bamboo easily absorbs water. This leads to such flooring being vulnerable to humidity and water damage (shrinking, warping, swelling and buckling).
- Great care needs to be taken with cleaning Bamboo Flooring and in particular with mopping. It should not be cleaned with anything harsh or abrasive and never with a steam mop as this can severely damage the bamboo. Instead what is recommended is a spray mop with microfibre mop pads and a gentle wood or bamboo floor cleaner.
- At Mystic Maids we use a Nellie Wow Mop (electric spray mop) and Koala Eco All Natural Floor Cleaner for all our cleans as we have tried and tested this method on many bamboo floors without issue.
- Please familiarise yourself with the above mentioned products via the following websites as by booking an appointment with Mystic Maids you are confirming that you have read and understood our Terms of Service and are aware of the products and equipment that will be used as well as their active ingredients:

16. Stone Bench Tops

- Natural Stone is porous and permeable and should be treated with an appropriate sealer prior to cleaning to minimise staining and etching.
- It should never be cleaned with acidic chemicals, harsh detergents, abrasive scourers, bleaches, boiling water or oil based cleaners like turpentine. Instead mild soaps, warm water and soft clean cloths and sponges are recommended.
- At Mystic Maids we use Koala Eco All Natural Dish Soap mixed with Water for cleaning all benchtops, before wiping with a microfibre cloth, as this is the only method safe for all stone including Marble, Caesar Stone and Granite.
